It includes daily mass as part of program, daily rosary, and adoration. The Next Level camps also include youth group bonding time with a youth group activity designed and provided by CHWC. The "youth group time" will challenge students to reflect and grow in their Catholic Faith.
- How Many?** There are 20 spots. We must have one adult for every five youth. We must have both male and female adults. If we don't have enough registered adults, youth will be placed on a waiting list until another adult steps forward to attend. Parishioners of SMM will have priority on the registration and waiting list in the order that they sign up. Non parishioners are also welcome.

What is Catholic HEART Workcamp?

Catholic HEART Workcamp is a national organization that combines service, worship, friendship, and fun in a retreat-like setting. HEART Workcamp holds over 50 camps annually across the United States and abroad. This opportunity is open to current 8th graders through college and adults. This is a great opportunity for your entire family.

Participants will travel to their designated camp city to work, play and pray with other teens from across the nation. The days begin and end with a high energy, motivational program including music, drama, speakers, and prayer. During the day, groups will perform various types of service projects including painting, home repair, light construction, landscaping, working in food banks, assisting in child care facilities, and much more.

Teens and adults are split up into teams with different youth from around the U.S. They have the opportunity to actively live out their faith, make new friends, and grow closer to God. These camps can completely change lives and impact your faith in ways you never thought possible. I have participated in several Catholic HEART Workcamps with youth groups and also as a staff member. It is an INCREDIBLE life-changing experience. It is a fabulous opportunity to truly reach out and be the hands and feet of Christ.

Because of the strong commitment SMM is showing to this project, we must understandably have a firm commitment from our participants. We are asking each of our attendees to sign a letter of commitment for this trip. This letter of commitment states that each participant will indeed attend the work camp during the week specified. By signing this letter of commitment, it is understood by all participants that they are fully committed to attending the camp. If a participant is unable to attend, it will be the responsibility of the participant's family to find someone to take their spot. If a participant is unable to find a replacement, we are asking that the participant refund the parish for the designated amount paid by the parish.

Because of the large amount of funding required, we thank you ahead of time for your understanding for this delicate matter. It is with your continued support, patience and understanding that SMM is able to continue to support parish programs.

How much is the trip?

Cost: Youth Price: \$400 for REGISTERED SMM. A \$100 non-refundable deposit is required to secure your spot.

For Non-Parishioner Youth and Adults: Cost is \$550. Fundraising opportunities are available to ALL participants. A \$100 non-refundable deposit is required to secure your spot.

Fundraising opportunities are available to ALL participants.

The cost includes all lodging, meals (excluding for traveling days and free day), and activities during the camp (including free day activities), transportation costs, and fuel.

We will be strategizing some creative ways to assist in funding this experience including youth fundraisers, possible church contributions, and individual contributions. If you are willing to help with these fundraisers, please let me know.

Please feel free to contact me at any time with any questions or concerns. I can be reached at 652-6800 x139 or smmyouth@smmchurch

Thanks for your continued support. Please pray for the success of this trip!

God Bless,

Kat Edwards
