

June 8, 2018

Dear SMM Parishioners and School Families,

Thanks to the very generous support of our SMM community, I am pleased to announce that our campaign for air conditioning in the school, gymnasium, and church sanctuary is now nearly complete.

When I first wrote to you about the urgent need for air conditioning to provide a cool and safe environment back in February 2017, our goal was quite ambitious. We intended to raise a total of \$561,000 to support the costs of installing AC units in the school, gym, and church.

Our community answered the call. Each week, donations arrived from school families, SMM alumni, and parishioners. We had great participation in the many school and parish fundraisers organized to support the AC project. Everyone saw the need for improving our Parish and School facilities for the comfort of our children, staff, families, and individuals who use these buildings for education, recreation, and worship daily.

Seeing this wonderful outpouring of support was awe-inspiring. It was especially moving watching parish and school families and individuals come together with the goal of improving the quality of our facilities. In just a little over one year, we received a total of \$502,443.51. We have only \$58,556.49 left to fund our project 100%.

Throughout this project, it was apparent that the SMM community is a strong one that comes together to make an investment in the needs and future of our Parish and School. Each and every one of our supporters is dedicated to ensuring SMM is the best it can be.

I am delighted to recognize the SMM Air Conditioning Fund donors here in our Bulletin. I am so very grateful for your generosity. Thank you!

God bless you all,

*Father Kirk*
