

Church Hall Checklist

Name _____

Date Hall Use _____

Group _____

- _____ 1. **Sign out the key to the hall prior to your event.** Come to the parish office to sign out a key at the front desk. Our office hours are M-TH 8:30AM - 3:30PM & F 8:30AM – 12:30PM. The parish phone number is 302-652-6800. The hall wi-fi password is on the key fob.
- _____ 2. **Food:** Any food you bring in must be brought back out with you. Things can't be left in the kitchen fridges. If you are bringing in food, you are responsible for bringing your own plates, cups, napkins, and utensils necessary. These items cannot be grabbed from the kitchen or parish life closet.
- _____ 3. **Kitchen use:** The kitchen is now operated by Linton Food Services. We can use the sink, but can no longer leave dishes to dry on the counter. Nothing can be left in the kitchen. Anything you bring into the kitchen must be removed when you leave. Linton will notify us if the kitchen is not as it should be.
- _____ 4. **After your event, set up the hall again.** Because the school uses the hall for lunch, anything you move in the hall must be put back in its place when you leave.
- _____ 5. **Clean up:** Wipe down the tables using the cleanup cart located in the hall. Sweep the floor as needed using the brooms located on the side of the stairs near the boiler room.
- _____ 6. **Trash cans:** Tie up trash cans & take to the outdoor bins – if possible. If not, gather all used trash cans, with bags tied shut, and roll cans over near the bottom of the steps.
- _____ 7. **Lights:** Make sure all lights are off prior to leaving. Most lights are turned off & on with the main light switch near the front door. The bathroom light switch is near the entrance to the bathroom. The upper level hall light switch is located near the youth ministry door.
- _____ 8. **Lock the hall.**
- _____ 9. **Return the hall key, along with this form signed, to the parish office or slide through the rectory door slot.**

Signature _____ Date _____

Anything we should be aware of:

EMERGENCY EPINEPHRINE BOX: A new Emergency Epinephrine box has been installed in the cafeteria to the left of the kitchen. It contains a stock of Epi pens provided free to the school **for the school** use in an undiagnosed allergy by the Epi Pen brand. It also contains Epi pens for specific students. These pens are **very expensive** and provide lifesaving medication for the student who requires them. They have been secured with a numbered medication tag. It is easily broken in an emergency situation to access the medication. There is also a first aid kit in the box for **emergency situations only**.

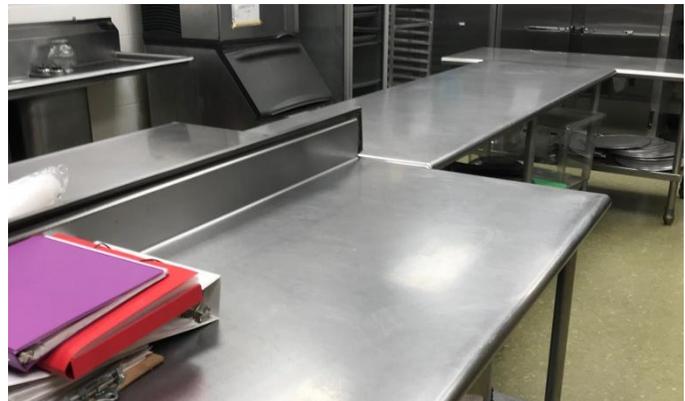

Epinephrine should only be injected by someone who is trained to recognize the signs and symptoms of an anaphylactic (allergic) reaction. If an allergic reactions is suspected the first response should **always be to call 911**.

If the box is opened for any reason, I need to be notified as soon as possible.

Thank you,
Ana Wennberg BSN, RN
School Nurse, St. Mary Magdalen School
9 Sharpley Rd
Wilmington, DE 19803

schoolnurse@smmschoolde.com

The kitchen counters and sink should be left clean as shown.

Clean up cart located in the hall.

Brooms, sweepers, and trash bags are located next to the boiler room near the stairs.
